MEMORANDUM FOR

Executive Secretary
Central Intelligence Agency

FROM: Philip Hughes *Philip*

SUBJECT: Note for Director Casey from the Vice
President

Tom,

The Vice President asked me to forward the attached personal note for Director Casey on his April 25 trip report. I would greatly appreciate your passing this note along to Director Casey.

The Vice President asked, on reading the report, why it took so long to receive it. We received the report from the NSC Staff on Monday afternoon, May 9, as I told the Vice President. Was the delay on your end, or should I look to the NSC Staff for the explanation?

Thanks for your help with this matter.
